

## INCLUDED FREE WITH EVERY TRAINING UNIT WITH A REFRIGERATION CYCLE:

Training units with a refrigeration cycle include an extended-range iManifold® 900C System Analyzer kit for real-time system performance analysis suitable for projector or large screen display in the class-room. This kit works on most smart devices (customer to provide, with appropriate cable.) 1-year iManifold® Pro+ subscription is included for one user; additional student subscriptions are available. Also, included is a card to request a complementary iManifold PULSE Kit (single-circuit 801PL) with a one-year Pulse Subscription. Value of \$815! We hope you can use this latest technology, a leave-behind installation for a package unit, to teach your students the installation and monitoring process and watch the continuous data feed for educational opportunities.

Every iConnect Training Unit shown in this catalog with this green text box will include these kits, free!

**BOTH A 900C  
iMANIFOLD SERVICE KIT  
AND AN iMANIFOLD  
PULSE KIT!**
